BRITISH MUSEUM,

LONDON: W.C.

Dear Sir,

I am sorry to have
kept you so long waiting
for your label, but it
was somewhat hard
to make out in parts. I
washed it ~~off~~ with a
little hydrosulphurate
of ammonia, and that
Serenus & Scott.

enabled my Assistant Mr.
Herbert to make the
enclosed Transcript.

I am, Dear Sir,
Yours faithfully,
Edward Scott.
